

Accountant's Compilation Report

Board of Directors Southlands Metropolitan District No. 1

Management is responsible for the accompanying budget of revenues, expenditures, and fund balances of Southlands Metropolitan District No. 1 for the year ending December 31, 2020, including the estimate of comparative information for the year ending December 31, 2019, and the actual comparative information for the year ended December 31, 2018, in the format prescribed by Colorado Revised Statutes (C.R.S.) 29-1-105 and the related summary of significant assumptions in accordance with guidelines for the presentation of a budget established by the American Institute of Certified Public Accountants (AICPA). We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the budget nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management, Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the accompanying budget.

The budgeted results may not be achieved as there will usually be differences between the budgeted and actual results, because events and circumstances frequently do not occur as expected, and these differences may be material. We assume no responsibility to update this report for events and circumstances occurring after the date of this report.

We draw attention to the summary of significant assumptions which describe that the budget is presented in accordance with the requirements of C.R.S. 29-1-105, and is not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

We are not independent with respect to Southlands Metropolitan District No. 1.

Services Provided

The District was organized by court order dated December 3, 2002, to provide financing for the design, acquisition, construction and installation of essential public-purpose facilities such as water, streets, traffic and safety controls, parks, open space and recreation, and sewer and drainage facilities, and the operation and maintenance of the District. The District's service area is located entirely in Arapahoe County, Colorado in the City of Aurora.

The District operates under the Service Plan as approved by the City of Aurora.

On November 5, 2002, the electorate authorized general obligation debt in the amount of \$63,000,000, refunding debt of \$49,000,000 and \$1,000,000 debt for operating expenditures. Debt is subject to the terms of the Service Plan. On November 5, 2002, the electorate also approved the removal of limitations imposed by the TABOR Amendment and any other law that purports to limit the District's revenue or expenditures and a \$130,000 annual property tax increase for operations.

On November 4, 2008, the electorate approved general obligation debt in the amount of \$440,000,000 for District improvements, \$40,000,000 for the purpose of refunding, refinancing or defeasing any of the District's debt, \$40,000,000 in multi-year intergovernmental agreements, \$40,000,000 in multi-year agreements with a regional authority and \$40,000,000 in other multi-year financial obligations. Additionally, on November 4, 2008, the electorate approved \$5,000,000 annually for the District's administrative and operating costs from property taxes as well as from fees. The electorate also approved \$5,000,000 in additional property taxes for intergovernmental agreements, \$5,000,000 in additional property taxes for private contracts. The electorate also authorized the District to collect, retain and spend the full amount of taxes and fees without regard to the limitation of TABOR.

The First Amendment to the Service Plan, approved by the City of Aurora on July 16, 2007, authorized the District to impose an unlimited mill levy on taxable property within its boundaries as a primary source of revenue for repayment of debt service and for operations and maintenance.

Pursuant to the District's First Amendment to the Service Plan as approved by the City of Aurora on July 16, 2007, the amount of debt that can be issued is \$60,000,000. On January 11, 2016, the City Council approved the Second Amendment to the Service Plan which increases the debt issuance limitation to \$125,000,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statues C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The First Amendment to the Service Plan, approved by the City of Aurora on July 16, 2007, authorized the District to impose an unlimited mill levy on taxable property within its boundaries as a primary source of revenue for repayment of debt service and for operations and maintenance.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 6% of the property taxes collected by both the General Fund and the Debt Service Fund. The budget assumes that specific ownership taxes allocable to property taxes collected by the Debt Service Fund will be pledged to debt service on the bonds during the term bonds are outstanding.

Net Investment Income

Interest earned on the District's available funds has been estimated based on historical interest earnings.

General Operations Fee

The general operations fee is being determined by the amount needed to cover operations and maintenance costs. The District bills its property owners monthly for the general operations fee. The general operations fee is recorded as revenue for budget purposes with no future obligation of repayment.

Expenditures

General and Administrative Expenditures

General and administrative expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the services necessary to maintain the District's administrative viability such as legal, accounting, managerial, insurance, meeting expense, and other administrative expenses.

Expenditures – (continued)

Operations and Maintenance

Operations and maintenance expenditures have been provided based on estimates of the District's Board of Directors and consultants and include costs associated with the operations and maintenance of certain facilities and improvements throughout the District.

Debt Service

The principal and interest payments are provided based on the debt amortization schedules from the General Obligation Refunding Bonds, Series 2017A-1 and Series 2017A-2 (discussed under Debt and Leases).

Capital Outlay

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

Debt and Leases

On December 1, 2017, the District refunded its General Obligation Refunding and Improvement Bonds, Series 2007 (the 2007 Bonds) and General Obligation Loan, Series 2016 (the 2016 Loan) by the issuances of \$44,690,000 General Obligation Refunding Bonds, Series 2017A-1, and \$3,945,000 General Obligation Refunding Bonds, Series 2017A-2, respectively (the 2017 Bonds). The proceeds were used for the purposes of (i) refunding the 2007 Bonds and 2016 Loan, (ii) funding the debt service reserve requirement (the 2017A-1 Reserve Fund and the 2017A-2 Reserve Fund); and (iii) paying costs of issuance of the 2017 Bonds.

The 2017 Bonds, mature on December 1, 2047 with an interest rates of 3.000% - 5.000%, are payable semi-annually on June 1 and December 1. The 2017 Bonds maturing on or after December 1, 2047 are subject to redemption prior to maturity, at the option of the District, as whole or in integral multiples of \$5,000, in any order of maturity and in whole or partial maturities, on December 1, 2047 and on any date thereafter, at a redemption price equal to the par amount thereof plus accrued interest to the redemption date.

The 2017 Bonds are general obligations of the District secured by and payable from the Pledged Revenue consisting of moneys derived by the District from the following sources, net of any costs of collection: (i) the Unlimited Mill Levy; (ii) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Unlimited Mill Levy; and (iii) any other legally available moneys of the District deposited in the Bond Fund or the Reserve Fund.

Approximately 11.5 acres, generally encompassing the Lowe's Home Improvement Warehouse, were excluded from the boundaries of the District on November 7, 2007 (the Excluded Property). Accordingly, the Excluded Property is subject to ad valorem taxes by the District to pay the Series 2017A-1 Bonds but will not be subject to ad valorem taxes to pay the Series 2017A-2 Bonds.

Debt and Leases– (continued)

For the purposes of paying the principal and interest on the Bonds, the Board is to annually determine and certify to the County each year in which the 2017 Bonds remain outstanding, in addition to all other taxes, the Unlimited Mill Levy. The 2017 Bonds are not secured by property lying within the District, but rather by, among other things, the District's obligation to annually determine and certify a rate of levy for ad valorem property taxes in an amount sufficient to pay, along with other legally available revenues, the principal and interest on the 2017 Bonds.

The District has no operating or capital leases.

Reserves

Emergency Reserve

The District has provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2020, as defined under TABOR.

Debt Service Reserve

At time of issuance of the 2017 Bonds, the 2017A-1 Reserve Fund and the 2017A-2 Reserve Fund have been established for the purpose of paying the principal and/or interest on Series 2017A-1 and Series 2017A-2 to the extend the moneys in the Fond Fund are insufficient for such purpose. The 2017A-1

Reserve Fund and 2017A-2 Reserve Fund are required to be maintained at all times in the amounts of \$1,687,625 and \$149,750, respectively.
